### Omicron wave

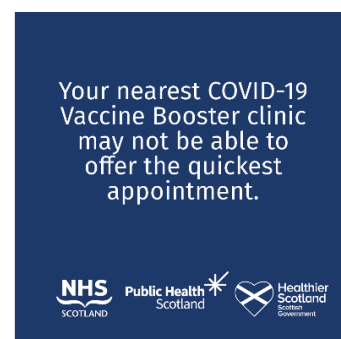

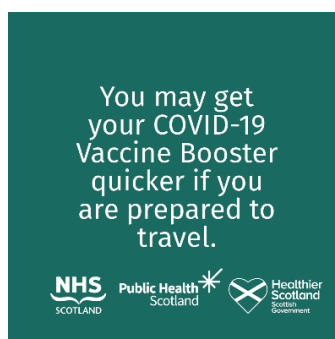

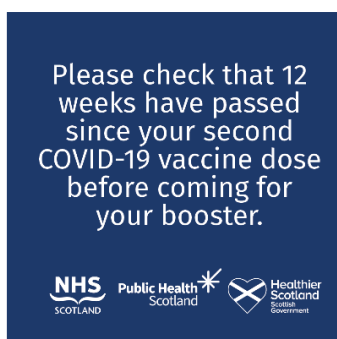

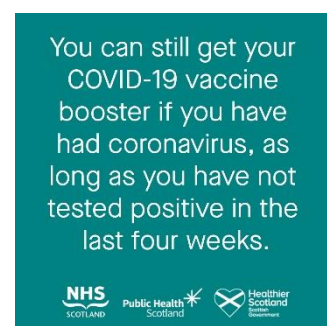

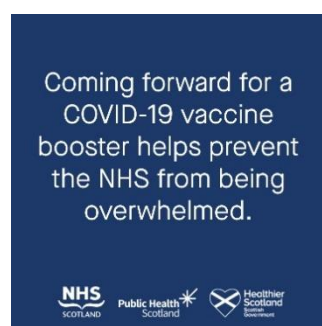

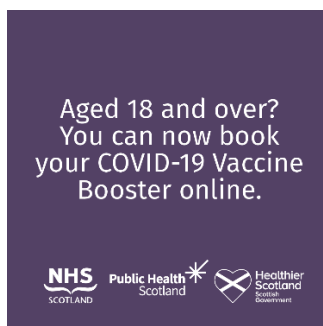

[Assets available here.](#)

We are not at the peak of the Omicron infection yet, so now is the time to protect yourself by getting the COVID-19 vaccine booster. If you are aged 18 or over and it has been twelve weeks since your second dose, you can book an appointment online or attend a drop-in clinic [nhsinform.scot/covid19vaccinebooster](https://nhsinform.scot/covid19vaccinebooster)

### Booking your vaccine booster

[Assets available here.](#)

If you're aged 18 or over and 12 weeks have passed since your second dose, you can now book your COVID-19 vaccine booster online or find a local drop-in clinic [→ nhsinform.scot/covid19vaccinebooster](https://www.nhsinform.scot/covid19vaccinebooster)

The COVID-19 vaccine booster is the best protection against the virus this winter. If you're aged 18 or over and 12 weeks have passed since your second dose, you can now book your booster online or find a local drop-in clinic [→ www.nhsinform.scot/covid19vaccinebooster](https://www.nhsinform.scot/covid19vaccinebooster)

Getting the COVID-19 vaccine increases your protection from coronavirus and will help reduce additional winter pressures on the NHS. If you're aged 18 or over, you can book your appointment online or find a local drop-in clinic [→ www.nhsinform.scot/covid19vaccinebooster](https://www.nhsinform.scot/covid19vaccinebooster)

If you're aged 18 or over and 12 weeks have passed since your second dose of the COVID-19 vaccine, you can book an appointment for your booster online or find a local drop-in clinic [→ www.nhsinform.scot/covid19vaccinebooster](https://www.nhsinform.scot/covid19vaccinebooster)

You can get your COVID-19 vaccine booster if you are aged 18 or over, 12 weeks have passed since your second dose and you have not tested positive for COVID-19 in the last four weeks. To book [→ www.nhsinform.scot/covid19vaccinebooster](https://www.nhsinform.scot/covid19vaccinebooster)

You can get your COVID-19 Vaccine Booster if you are aged 18 or over and 12 weeks have passed since your second dose. You may get your vaccine more quickly if you are prepared to travel for your appointment. Visit [→ www.nhsinform.scot/covid19vaccinebooster](https://www.nhsinform.scot/covid19vaccinebooster)
